EASY words

for me to read!

NEW words

I learned to read!

Dear Grade One Parents;

We are VERY EXCITED to be starting our Grade One Home Reading Program!!

Your child is bringing home a Book Bag, containing a very easy book to read! Easy is best for beginning readers- it builds confidence and enthusiasm! The children will have the opportunity to "move through" the reading baskets- but we want this to be fun and easy- so offer lots of support and encouragement!

So here it is- the Grade One

I Love to Read BINGO GAME!!!!

How to play:

- 1- Choose a square to "play".
- 2- Choose a book- one from school, home, the library, or the book order!
- 3- Follow what the square says- then READ!
- 4- Colour that square showing that you completed it!
- 5- Turn over the page and fill in the boxes- add your favourite books, print some easy to read words, and even record a few new words!

At the end of October, return the Home Reading Game Board to school!

A prize will be waiting for your child upon handing in their October form!

A sticker will go on the class reading chart, and well... there is a very special surprise every Grade One Student who completes the WHOLE BOARD!

No more hints- you'll just have to read and wait and see!

Have fun with October Reading!

Love, Mrs. Boo-vier and Mrs. Tomb-son ;)
