Grade 1 Newsletter

Dear Grade One Parents,

October already? WOW! The students are settling into the routines and expectations of Grade 1... and your children are making our days fun with their enthusiasm for learning! October will see us starting a Thanksgiving / Halloween theme, and we'll even be going on a field trip!

Pumpkin Patch Field Trip-Tuesday, October 22nd

The classes will be going to the Hazelmere Pumpkin Patch (20th & 184th Avenue, Surrey). Please be reminded that field trips are "learning opportunities" for Grade One students, so siblings are not permitted on field trips, also to ensure that Supervisors' attention is focused on their Grade One group. As teachers, we always try to make the best learning groups (i.e. boys/ girls mixed, or "boys only" groups, etc.) for each supervisor, and so we ask that you come ready to be your best supervisor— attention on the students, and be sure to maintain the students' focus and behaviour. Please be reminded that we travel via parent drivers and it is your responsibility to provide a booster seat for your child! "Farmer Sherry" at the pumpkin patch is requiring that each adult attending must pay an admission fee of \$5. If you are joining us, please include \$5 to the permission form that is attached.

Clothing & Recess Items

Please ensure your child's FIRST & LAST NAME is on EACH clothing item- everything looks the same and the children can't read last names as easily as the first names—watch sibling clothing. Please be sure food containers and recess toys also have your child's name on them to ensure their return! As the weather is getting cooler, also ensure names are on outer wear!

Healthy Snacks

Please be reminded that <u>candy</u> should not be part of your child's snack/lunch at school. We are noticing many children forgetting spoons and forks- please be sure to add them in the morning!

Kleenex Please!

We'd like to politely remind people to send a box of Kleenex into the classroom (if you haven't yet!)

Classroom Behaviour Monthly Focus

Please know that we are focusing on "Whole Body Listening" (eyes looking, ears listening, hands and feet still, brain making connections) in our classrooms, to encourage better

attention during teacher-directed lessons. The "Stars 3 Rs" are alive and working hard in Grade One!

October Notice- Gr. 1- Pg. 2

October Book Orders

The October Book Orders are attached. Please return any orders to your child's teacher by **Wednesday, October 9**th. Some books you may like to have a second look at are....

SeeSaw ~ #16S2 A Poppy is to Remember (\$7)- A beautiful focus on Remembrance Day! **Lucky** ~ #29L2 Wild Weather Pack (5 books for \$15) This is our May-June theme! Curriculum Notes

Math is moving from "Patterns" to counting to 100. We'll also be practicing reading and spelling number words to twelve (and to twenty for "challenge words"). A page is attached that you can cut up and use as flashcards to help your child practice reading and spelling these words at home! We are focusing on counting objects to 20 using Ten Frames. We're extending this number learning to include the concepts of "Greater than" and "Less than" using Pac Man, and the signs < and > .

Spelling— we are reviewing consonants and all short vowels (a/i/o/u/e), as in /cat /pit/pot/pup/ beg/.

Sight Words— We are practicing these words daily, as you should also be doing at home, 5-10 minutes every day. Please remember to return your child's Individualized Sight Word Booklet to school each Thursday/Friday. If the words are easily read by your child, then please encourage your child to spell them orally, or even practice using these words in written sentences. To Fully Meet First Term goals, your child should be able to read all the Level One and Level Two words.

Home Reading- This will begin after Oct. 15th- watch out for a Ziploc/ Home Reading Bag. **Please note**: students should read 10 – 15 minutes per night (weeknights). Your child will select a leveled book, that should be "easy" (on purpose!) so that the children find home reading fun and... well, easy. The children will move "up" levels as their skills improve... but to start off, "easy" builds enthusiasm and confidence, so it's always a great place to start. Please have your child fill in one square per night of the Home Reading Bingo Game, and return for prizes at the end of the month, if your child achieves a "Bingo Blackout!" Your child will also have the opportunity to read online through a website called RazKids. Access to this site will be available after Thanksgiving.

Journal writing- we are focusing on printing a sentence that uses finger spaces, a capital at the beginning and a period at the end. Printing an interesting sentence is encouraged, such as "I like ___ because ____." Further challenges are always offered to our beginning writers, including adding a second "connecting" sentence, "proper spelling" and of course making detailed pictures. Phewwff!

Please Start Saving Now...

Each student will need a (ladies or men sized) SHOE BOX (lid not needed) in NOVEMBER. PLEASE- don't send boxes now- this is just a "be on the lookout". Thanks!

Yours truly,

Mrs. Angela Bouvier

Mrs. Jacqui Thomson
