

Gr. 1- Learning at Home Plan - 10

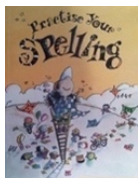

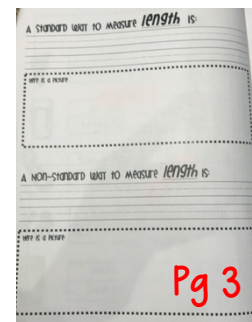

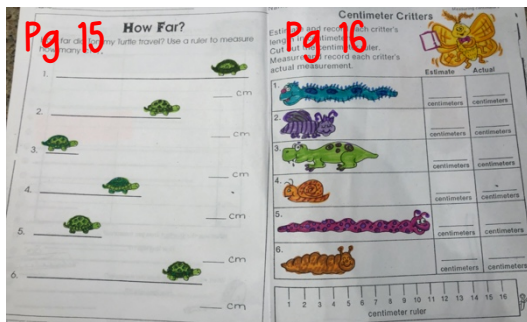

June 8 - 12th, 2020 ~ "Hybrid Learning week 2"

Helpful Notes to Parents

We're exploring OUR ENVIRONMENT this week!

Math: MEASUREMENT BOOKLET- We are FINISHING this book this week! YAY!

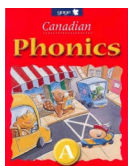

- Page 15- measure the LENGTH of each turtle's walk with a RULER
- Page 16- ESTIMATE - the children look at the ruler and record a "guess" for each critter. Then measure the ACTUAL LENGTH (estimate & actual DO NOT have to match)
- Page 17- MEASURE and GLUE ON each stem to match the height as indicated at the bottom - then, add a colourful flower at the top!
- PAGE 3- This is now a "review" page for the children to complete!

Spelling Book:

Unit 32- pgs. 70 - 71 /st/ * section 6 is SCRAMBLED words!

Unit 34- pgs. 74 - 75/ay/ * feel free to OMIT the STORY on pg. 75

Phonics: - LONG VOWELS- pg 91 - 115

This is A LOT of pages, but many are "circle/ spell" (circle the word, spell it) so they are a *bit* easier. OMIT the STORIES on pages 96/103/109/116)

DO NOT FEEL YOU MUST FINISH THIS ALL AT ONCE! It can even be done over the next few weeks or into July. It is unlikely that we will finish this book in our weekly plans.
